From Jaybird Quilts  
Featuring *True Colours* by Tula Pink.

**Nebula** is a 10 month program costing \$65 a month, free postage within Australia.

It includes 74 Fat Eighths, background and binding fabric. It comes with a Quilt Basics booklet, 9 monthly inserts to create the beautiful elements of this gorgeous star quilt, and a Quilt Finishing booklet.

You will also receive a free Tula Pink project bag for storing your BOM Fabrics

The Quilt Basics booklet includes detailed cutting diagrams using Jaybird rulers (details below), full size templates, and a block chart. The 9 monthly inserts are directions for assembling 9 unique quilt blocks. The Quilt Finishing booklet includes directions for completing your large lap or queen sized quilt.

Queen Size 97" x 96" (280cm x 275cm)  
Large Lap 78" x 90" (198cm x 228cm)

Each month you'll make two blocks of the same design. Creative fabric placement will make your quilt appear to have 18 different blocks. All blocks are made from 74 Fat Eighths. You will select a rainbow of light, medium, and dark solids and blenders from the Fat Eighths to create the enchanting rainbow burst of this stunning quilt.

A prepayment deposit of \$65 will secure your Block of the Month along with your credit card details (which we will store safely) for processing each month's package. Your deposit will be held to pay for your final month's pack and for months 1-9 we will deduct a payment of \$65.

We have limited supply so book yours up asap.
